MARCH VIEWING DATES

Come and watch your dancer during the last week of March classes—Thursday-Wednesday, March 25-31. From month to month during the last week, we feel you will notice positive changes as the students make progress in their mastery of the Conservatory's Syllabus, which is based strongly on the Royal Academy of Dance Syllabus. During the first few weeks of each month both the teachers and the dancers appreciate being able to focus without visitors in the building. Thank you for respecting their needs and the SBC policy.

CONGRATULATIONS

Patty along with the whole Conservatory staff wish to extend Congratulations and gratitude to the Anderson, McKesson, Neff, Palmgren, Raphael and Steiner families for referring students to SBC during the month of January. In that month's Newsletter, we announced a special promotion—Refer a friend during January and receive a Free Month of Tuition. Remember, throughout the year, when you refer a friend, you receive One Free Class that can be used towards a Master Class or towards your regular monthly tuition. Keep a lookout in upcoming Newsletters for a repeat of this very special offer and thank you to everyone for sharing Sonoma Ballet Conservatory with family and friends!

HAPPY BIRTHDAY!!

Happy March Birthday to Olivia Boles, Alexandra Burnham, Elizabeth Eagles, Violet Rose Heffernan, Melissa Larios, Frankie Padilla and Madison Smith.
